

Woodworking with Recycled Materials

For ages 12-17

Teen workshop in The ReBuilding Center's ReFind Furniture woodshop: Learn about working with reclaimed wood and practice using tools such as the bandsaw, sander, drill and more. During the workshop complete a small woodworking project to take home.

Offered on no-school days:

Friday October 24th

or Monday November 10th, 1-4pm

Sliding Scale \$10-\$30*

(no one will be turned away due to lack of funds)

**Workshop is held at The ReBuilding Center,
3625 N Mississippi Ave, Portland.**

Register with ReBuilding Center cashier or online at www.rebuildingcenter.org/educationclassinfo.html. For additional information about classes at The ReBuilding Center call (503)445-1756 or email education@rebuildingcenter.org.
