

Let us help

Childcare Services

Receive support for what matters most.

Your Employee Assistance Program (EAP) offers a personalized approach to helping you and your family. Through a telephonic consultation with our family support specialists, you get the answers, information and resources you need to help cope with the day-to-day or longer-term challenges associated with caregiving responsibilities.

Find the best local solutions for your family

Our specialists will assess, identify and locate caregiving services—including provider options, location, current availability and fees*—to suit your needs.

Services we can help you find include:

- Prenatal preparation
- Parenting classes
- Childcare and after-school programs
- Schools, educational services, and special needs programs
- Adoption
- Emergency home care services
- Bereavement support

Support is also available to you through helpful articles and information related to:

- Planning a family
- New parent
- Parenting effectively at all ages and stages
- Building strong blended families
- Other family-related topics

*Fees for referred services are your responsibility.

Connect with us for confidential support or to learn more

Make the right decisions for you and your family with help from your EAP.
